

## E-Tithing

Save time, simplify your life, and support the church. The electronic contribution program, or e-tithing, is an automatic funds transfer program that allows you to make contributions without having to lift a pen to write a check, reach into your wallet for cash, or make an online bank payment.

Here's how it works: you authorize a specified amount of money to be electronically transferred directly from your checking or savings account to the Church's bank account. This way your Christian Stewardship becomes a part of your budget on a consistent basis throughout the year. It's fast, safe, and easy. In fact, it's less risky than checks, as it cannot be lost, stolen, or destroyed in the mail. Electronic transfer costs you NOTHING. The Church will issue you a donation statement for your tax records and your bank statements will provide you with a record of transfer as additional proof. This simple and easy to use form can begin or change your electronic contribution amount.

Of course you can cancel your authorization at any time by notifying us in writing. But we believe that once you have enjoyed the convenience and savings of this new program, you won't want to go back to the "old-fashioned" way of contributing to your church.

Simply fill out the form below, attach a voided check, and drop in the offering plate or mail to the church office, 7160 Shadeland Station, Indianapolis, IN 46256. All of your information will be strictly safeguarded.
